**To Clerks of Record in the State of Georgia:**

Pursuant to the direction of the Board of Governors of the State Bar of Georgia, notice is given that the State Bar of Georgia members listed below **are ineligible to practice due to the fact that they have not paid their 2023-2024 Bar Dues and/or late fees** as required by Rule 1-501 of the *Rules and Regulations for Organization and Government of the State Bar of Georgia*. **Members noted with \* are also under disciplinary suspension. Members listed in bold are also under CLE Suspension.** Proper notification has been made to these members at the most current address listed on membership records. At this time the delinquency may be lifted by payment of license fees and late fees per Rule 1-501(a). If this delinquency is not corrected prior to July 1, 2024, the member will be automatically placed on Administrative Suspension and then would be required to fulfill detailed requirements for reinstatement per Rule 1-501(b) (as amended by the Supreme Court of Georgia, October 26, 2000).

**To give full effect to the above-recited rule of the State Bar of Georgia, as ordered by the Supreme Court of Georgia, you should: Post this report in a conspicuous place in your courthouse; Strike the names of those listed from the roll of attorneys authorized to practice in Georgia.**

**By Direction of the Board of Governors, this the 4th Day of January, 2024.**
